

Want To Accept Payments with a Preferred PowerSchool Provider?

PowerSchool districts have an A+ option for taking school fee payments – Vanco. With Vanco's secure, easy-to-use tools that integrate seamlessly with PowerSchool's SIS and many modules, including **Ecollect**, **EnrollmentExpress** and **Enrollment**, getting your district set up for online fee payment is simple.

How it works:

Getting started is the easiest homework assignment you'll ever have.

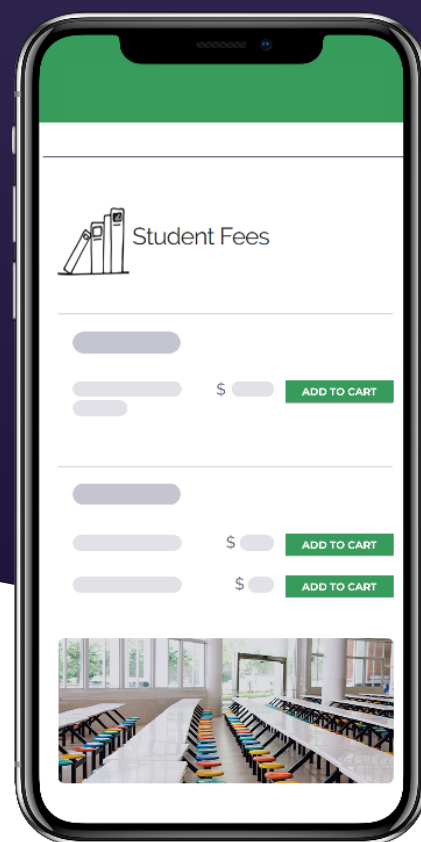

If you aren't using any Vanco products already to take school payments online, [visit our site here](#) to fill out the form and our team will connect with you to help you get started.

For those already working with us, [contact your Vanco representative](#) and they'll set up a time for one of our Client Adoption specialists to train you on accepting fee payments through our RevTrak Web Store platform.

Why Vanco?

Our RevTrak Web Store is trusted by more than 1,300 districts nationwide. We're PCI Level 1 compliant and help districts of all sizes process more than \$15 billion annually. The integration benefits of pairing Vanco with Ecollect, Enrollment, EnrollmentExpress and more include:

- Easily tracking all revenue streams
- Eliminating admin headaches and reducing calls to the office
- Streamlined reporting that allows districts to track all payments in one place
- Integration with existing infrastructure, including most PowerSchool configurations
- Limiting cash use to make payment tracking easier (you can still track cash payments)
- Eliminating admin headaches and reducing calls to the office

Contact us today to get started processing school fee payments with Vanco and make life easier for your district's parents, students, teachers and administrators.
