

# Make Payments Easy With PowerSchool and Vanco

Vanco's integration with PowerSchool tools provides convenience for parents and makes finance work faster and easier for school staff.

With **mobile-friendly technology**, parents don't have to download an app to use PowerSchool and Vanco together. They simply use the Web Store site on their mobile browser.

**No-worries reconciliation** enables you to easily identify overdue fees and relax as payments post to the correct accounts automatically. No more make reconciliation easier!

Using **single sign-on**, parents can pay PowerSchool assigned fees seamlessly, without having to remember another login.

**Robust reporting** allows you to pull a variety of data, in a variety of formats to meet your needs - all in real time.

Our **real-time API integration** for PowerSchool SIS and eSchoolPlus makes payments easy for parents, and eliminates headaches for administrators.

A simple solution to **accept any fee** online. With Vanco, families can add funds to lunch accounts, buy tickets, make donations, pay for after school care, and much more.

**See how it works!**

## Two ways to simplify payments and accounting

Want to make online payments even easier for your parents? Take your pick!

Vanco Education's integration options with PowerSchool provide convenience for parents and makes finance work faster and easier for school staff.

### Option 1:

Parents Pay without Leaving PowerSchool

#### **Vanco Fee Management PowerSchool Plugin**

- Parents log in, view and pay for assigned fees directly within the PowerSchool dashboard
- The Vanco Fee Management PowerSchool Plugin makes it simple to ensure on-time and easily trackable payments are made within the online experience parents are comfortable with

### Option 2:

One Place for Parents to Make All Payments

#### **Vanco RevTrak Web Store**

- The one-stop shop for all your school payments
- Mobile-friendly
- Centralized payments for
  - Meals
  - Event tickets
  - Donations
  - Assigned Fees
  - And More

**Want BOTH options? Accept assigned fee payments in PowerSchool via our Plugin AND offer a convenient Web Store check out experience for everything else! Why choose?**

These **real-time API integrations** keep schools' data current at all times. Payments appear instantly to make money management easy for staff. The API also means that parents see their true balance as soon as they deposit money or pay a fee.
