VANCO
EDUCATION

Vanco Education Offers Time-Saving Software for K-12 and Community Educators.

Vanco Web Store
RevTrak

We move schools and districts toward becoming a cashless campus by accepting online payments from parents for food service, childcare, sports and more. Plus, we integrate with the most popular student information systems.

Vanco Food
Food Service Solutions

From online lunch account payments to point-of-sale tools, we make cafeteria management and meal payments easy. We provide K-12 schools and universities with simple and secure software and hardware to increase food sales while streamlining operations.

Vanco Events
Vanco Events

Plan school events including student plays, sports and dances with our simple-to-use powerful event solution. Add a seating chart, design and print tickets, and accept ticket payments right from our software and on-the-go with our mobile app (it scans tickets, too!)

Vanco Music
Charms

Our music program management tool puts music educators in control from the orchestra pit to the halftime performance and on the road. Our cloud-based solution offers event calendars, inventory management and communications functionalities.

Vanco Child Care
Smartcare

Streamline the process of managing your district before-and-after school, preschool and other child care programs with easy-to-use mobile-friendly software. We offer a variety of no-touch payment and check-in solutions.
