Next Steps & Additional Resources

Today's Presenters

Danielle Winkler
Marketing Manager

Danielle works with school districts and community education organizations across the country to help bring their organizations online to become cashless (and paperless) campuses.

Amy Julius
Solutions Consultant

Amy works with school finance officials, district business managers and teachers to help them take more payments online, saving admin staff and teachers' time and keeping parents happy!

Software for K-12 and Community Educators

Vanco Web Store

RevTrak

We move schools and districts toward becoming a cashless campus by accepting online payments from parents for food service, childcare, sports and more. Plus, we integrate with the most popular student information systems.

www.foodserve.com

Vanco Events

Vanco Events

Plan school events including student plays, sports and dances with our simple-to-use event solution. Add a seating chart, design and print tickets, and accept ticket payments right from our software and on-the-go with our mobile app (it scans tickets too).

www.charmsoffice.com

Trusted by 1,200 districts and counting!

More than \$15 billion in transactions processed per year

College Board approved payment processor

PCI Level 1 Compliant (the highest standard in the security industry)

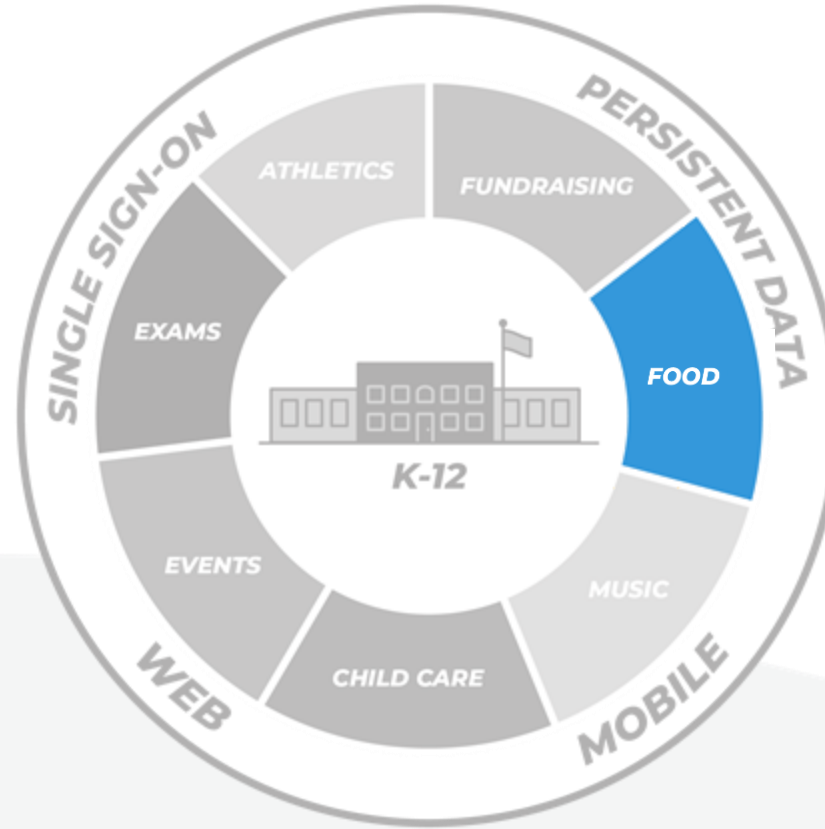

20+ years supporting schools and community education

Vanco's Education Vision

We provide K-12 educational institutions and parents with a **convenient** online payment experience for **all** school-related activities.

Today We'll Be Focusing on Food

Vanco's food service software and hardware simplifies school meal payments and operations.

Why Connect Your Food Accounts to Your Other Online Payments?

- **Easier for parents:** One central hub to make *any* payment.
- **Easier for the business office:** Simpler, automated finances and reporting.
- **Cashless campus:** Take all (or most) of your payments electronically.

Two Ways Vanco Helps School Food Service Programs:

Payment Processing (Web Store)

**Food Service Solutions
Hardware & Software**

Common Food Service Platforms Vanco Works With:

- PowerLunch (PowerSchool)
- Skward Food Service
- Tyler SIS Food Service
- eTritition
- PrimeroEdge
- MealMagic
- And many others

Vanco's Food Service Solutions

Online Payments

Simplify student meal management and reduce lunch debt with online payments and centralized data for all district schools.

Free/Reduced Application

Speed up and simplify the free and reduced lunch application process by bringing it online and ensuring anonymity for students.

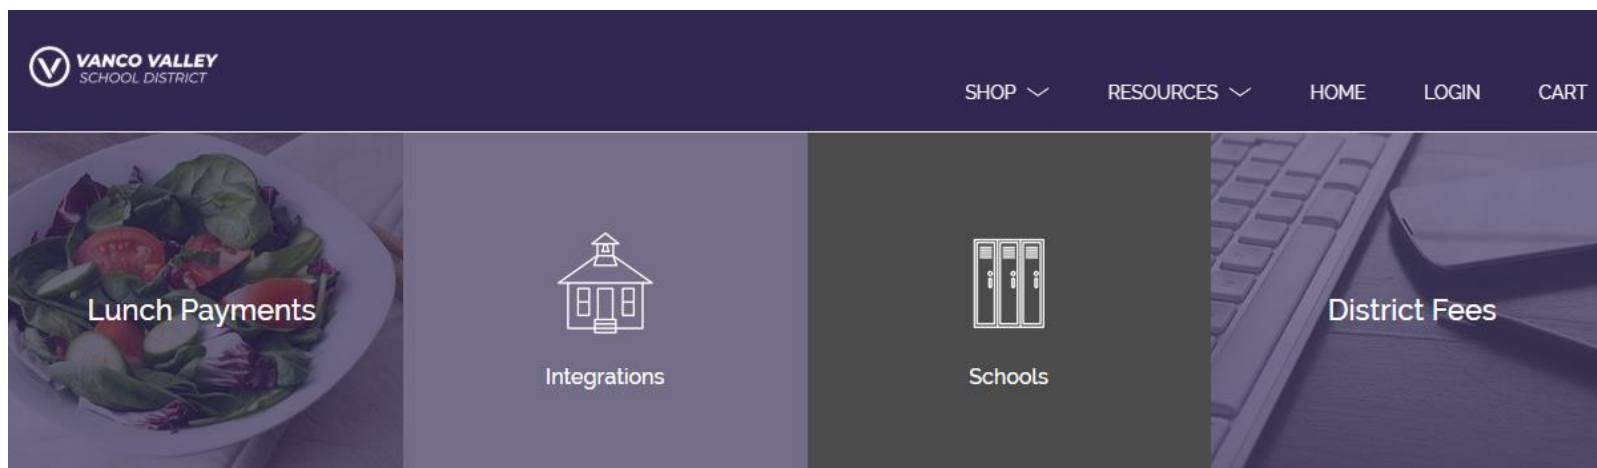

POS Software & Hardware

Our solutions are designed for food service directors and cafeteria staff. Our software makes sales data easy to track, and FSS hardware keeps cafeteria lines moving quickly.

Next Steps: Request a Demo

[Request a personalized demo](#) to see how Vanco can simplify your cafeteria and meal payment management.

A photograph of three students in a school cafeteria. A male student in a light blue polo shirt is smiling and looking at a female student with long, curly blonde hair, also in a light blue polo shirt. She is holding a white tray with food and a blue card. In the background, another student is partially visible behind a counter with a computer monitor and a payment terminal. The image has a dark blue overlay on the left side where the text is located.
