Today's Presenters

Danielle Winkler
Marketing Manager

Danielle works with school districts and community education organizations across the country to help bring their organizations online to become cashless (and paperless) campuses.

Mary Pacheco
Client Success Partner

Mary has been working with schools for almost 20 years, including 12 years supporting food service solutions for K-12 schools.

VANCO
EDUCATION

Software for K-12 and Community Educators

Vanco Web Store
RevTrak

We move schools and districts toward becoming a cashless campus by accepting online payments from parents for food service, childcare, sports and more. Plus, we integrate with the most popular student information systems.

More than $15 billion in transactions processed per year.

College Board approved payment processor.

PCI Level 1 Compliant (the highest standard in the security industry).
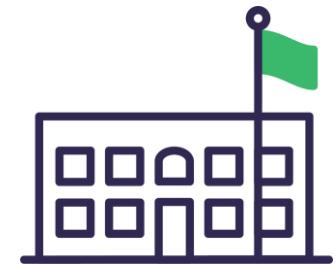

20+ years supporting schools and community education.

Vanco's Education Vision

We provide K-12 educational institutions and parents with a **convenient** online payment experience for **all** school-related activities.

Today We'll Be Focusing on Food

Vanco's food service software and hardware simplifies school meal payments and operations.

Why Collect Meal Payments Online?

- **Easier for parents:** One central hub to make *any* payment.

- **Easier for the business office:** Simpler, automated finances and reporting.

- **Cashless campus:** Take all (or most) of your payments electronically.

Two Ways Vanco Helps School Food Service Programs:

Meal Preorder & Payment Processing

Food Service Solutions POS Software & Hardware

Vanco's Food Service Solutions

Online Payments
Simplify student meal management and reduce lunch debt with online payments and centralized data for all schools.

Meal Pre-Order
Facilitate contactless food delivery, minimize waste and budget for meal purchases in advance by putting your menus online for parents to order from.

POS Software & Hardware
Our solutions are designed for food service directors and cafeteria staff. Our software makes sales data easy to track, and FSS hardware keeps cafeteria service moving quickly with contactless student identification, such as card swipe and barcode scanning.

Next Steps: Request a Demo

[Request a personalized demo](#) to see how Vanco can simplify your food service management for your school.

For Schools
Create your menus through our Administrative portal. Set ordering cutoff dates.

- Create menu calendars
- Get paid up front
- Set ordering deadlines
- Eliminate paper forms

For Food Service Providers
Completely confidential transactions. More secure than writing a check!

- Minimize waste with accurate ordering and preparation
- No more covering up-front expenses
- Maintain multiple clients in one place
- Easily communicate with parents

For Parents
Log on to your student's account and submit a school lunch pre-order.

- Budget in advance for meal purchases
- 24/7 access
- Control healthy eating patterns
- Print upcoming lunch menus

For Students
Parents can easily go online and check when their next installment is scheduled to pay.

- No cash needed
- A la Carte options still available
- Know what your lunch is every day
- Get your lunch served faster
